

SOUTH UIST ANGLING CLUB

FISHING RETURN 2021

As an Angling Club, we are obliged to provide details of the annual catch, in terms of fish released and fish taken from our lochs and waters, to Storas Uibhist, SNH, the Scottish Government and the Western Isles Salmon Fisheries Board to enable information of a statistical nature to be collated to illustrate the case for sustaining and improving freshwater fisheries within the Western Isles. It is hoped that the collected information will also be of interest to our members and visiting anglers. **Please complete and return this form to us as soon as possible but no later than 14 November 2021**

In the appropriate columns, please keep a record of all fish **above limit size** caught in SUAC waters. In the column to the right, show the number of **all under-limit** fish caught. To encourage as many returns as possible, all returns will be entered into a prize draw at SUAC's annual dinner, the first return drawn from the hat for a Member and Visitor respectively, will each win a bottle of **Malt Whisky**. Returns should also state whether a salmon or grilse, or an adult sea-trout or finnock has been caught. The completed form should be returned to **Rhoda Campbell, SUAC Secretary, 19 Calabhaigh, Lochboisdale, Isle of South Uist, HS8 5TP** or via email to **rhoda.campbell@gmail.com** or to the premises from which you obtained your fishing or boat permit.

Thanks in anticipation. Lachlan MacKay, SUAC Registration Officer, 5 Rubha Doigheag, Eochar, Isle of South Uist HS8 5RL. ☎ **07718 385357**
