

SAFETY IN BOATS

WARNING

Many accidental drownings occur due to a number of factors including:

- ⊗ lack of a life jacket,
- ⊗ disregard or misjudgement of the conditions,
- ⊗ failure to follow good boating practice,
- ⊗ lack of supervision, especially of the young,
- ⊗ inability to cope once a problem occurs.

LIFE JACKETS

All persons using the South Uist Angling Club's boats are required to:

WEAR A LIFE JACKET

A life jacket is a personal safety device which, when fully inflated, will provide sufficient buoyancy to turn and support even an unconscious person face upwards within five seconds. It will support the person's head, with the mouth and nose well clear of the water. Please note SUAC no longer provide life jackets.

OTHER SAFETY ADVICE

- ⊗ Don't stand up in the boat. It is not only potentially dangerous: it is likely to scare the fish.
- ⊗ Ensure that you take a baler with you in the boat.
- ⊗ Don't under-estimate the elements: if in doubt, don't go out.
- ⊗ Carefully supervise and give good example to the young.
- ⊗ Don't panic if a problem arises: calmly make for the shore.
- ⊗ Report to us any dangerous occurrence or incident.

CHECK BOATS BEFORE USE

Boats are used entirely at the user's risk. The Club accepts no responsibility for any accident or loss arising from the use of a Club boat, nor can the Club guarantee the condition of any boat. Persons using boats should ensure that the boat is in a "seaworthy" condition prior to use. Any shortcomings, or damage, should be reported as soon as possible, to the Chairman, Booking Agent or other Club Officials.

BOOKING OF BOATS

If you wish to book a boat, please visit or contact Stòras Uibhist, Oifis Stòras, Daliburgh, South Uist. HS8 5SS (☎ 01878 700 101 or fishing@storasuibhist.com)

Bookings can be made in advance from 9am to 5pm, Monday to Friday. When the Stòras Uibhist office is closed, as on Saturdays and Sunday, boat bookings can be made in advance on Friday.

Anglers will be limited to the advanced booking of one day's boat fishing per loch per week. This will not apply to any bookings made within 48 hours of the proposed boat use.

Club Members must quote their membership number when making a booking.

Similarly, visitors must quote their boat permit number.

Members can contact Stòras Uibhist, (☎ 01878 700 101) for availability of hill loch boats (free to members). When booking a boat, anglers should be aware that SUAC policy prohibits the occupation of a boat by **more than three persons** at any time.

CARE OF BOATS

After use, please return the boat to the correct location, irrespective of where it may have been found: also, please pull the boat well clear of the water and secure it to the mooring post. (Some lochs may rise or fall significantly as a result of tides or rainfall). Please leave the boat in a clean and tidy condition and store the oars safely and securely under a boat seat.

DAMAGE TO BOATS

Any damage to boats should be reported as soon as possible to the Booking Agent, Stòras Uibhist. (☎ 01878 700 101) Any damage arising from misuse of the boat, or failure to secure it properly after use, may result in a claim being lodged by the Club against the persons responsible. Each season, a number of our boats are damaged, often extensively, as a result of not being properly secured or pulled high enough out of the water.

JUNIORS

Junior members/visitors (under 18 years of age) may not book boats and must be accompanied (in the boat) by an adult member or permit holder, who will be responsible for their safety and behaviour.

ASSOCIATE MEMBERSHIP

Visitors who present evidence to the Registration Officer that they will be resident in the Uists for 4 weeks or more in a 12-month period from the start of the year, may be granted Associate Membership at an annual cost of £80.
